Accent hires two new team members

Accent Equity Partners AB, advisor to Accent funds, has hired two new members from 1 February 2013. David Zytomierski and Marcus Jennekvist will join Accent's investment team in Stockholm and assume positions as analysts.

David Zytomierski (27) has recently worked for PwC Corporate Finance in Stockholm where he provided transactional advisory services, primarily within Valuation and Due Diligence. Before that David worked for Granitix Private Equity and Nordea Corporate Finance in Stockholm as well as KPMG in Luxemburg. David holds a Master of Science in Business and Economics from the Stockholm School of Economics.

Marcus Jennekvist (27) has recently worked for Carnegie in Stockholm, where he for the past three years was employed in the Investment Banking department with Mergers & Acquisitions and Equity Capital Markets. Before that Marcus worked for SE Bank with credit Assessments and Sales and Marketing Events. Marcus holds a Master of Science in Economics and Finance from the Stockholm School of Economics. He has also studied at the Università Bocconi in Milano and the University of Stockholm.

Accent Equity 2012 – with a committed capital of SEK 3.8 billion (EUR 430 million) – was opened for investments on 1 July 2012. This is the reason for the extension of the team as the new fund's activity level is expected to be high in the next few years.
