Accent Equity Partners' 2017 Together Scholarships awarded

Accent Equity Partners has for the sixth consecutive year awarded its Together Scholarship. This year's scholarship recipients, who all will receive a sum of money in support of their non-profit activities, are:

- Williams syndromförening i Sverige
- BSAFE Nattvandrarerna in Björklinge
- Unite People in Varberg
- FTS Säkra Varje Unge
- Sävsjö IBK floorball club
- Skånela IF handball club
- School's Out in Söderhamn

The Scholarship is awarded to persons or non-profit organisations in the Nordic countries that have made achievements that bring people together. This includes all good forces in the Nordics who realise the importance of cooperation to create sustainable change within society, the school system, sports and other non-profit organisations. Portfolio companies owned by Accent Equity funds nominate the candidates for the Scholarship.

All recipients are fine examples of strong local initiatives working for better social environment, and it is Accent Equity Partners' great pleasure to be able to support these associations.

Including this year's recipients, a total of 24 organisations have by now been awarded Accent Equity Partners' Together Scholarship.
